About

IITMAA

- ✓ IIT Madras Alumni Association (IITMAA) represents a global network of over **60,000** accomplished alumni across industries, academia, entrepreneurship, and public service.
- ✓ IIT Madras has been ranked **No. 1** in India for 10 consecutive years in the NIRF rankings, reflecting its leadership in education, research, and innovation.
- ✓ IIT Madras Alumni Association in Collaboration with IIT-M is hosting the 7th Edition of its annual technology conclave. **"SANGAM"** signifies a confluence or coming together, and in this context, it represents a gathering of thought leaders, innovators, and alumni from IIT Madras.

IITMAA
SANGAM 2026

Atmanirbhar Bharat -
Building a Self Reliant
India

- ✓ The theme of this year's conference is centered around transnational research and emerging technologies.
- ✓ Sangam 2026 will spotlight not only the IIT Madras ecosystem and the entrepreneurial journeys of its alumni, but also transformative startups, cutting-edge research, and bold innovations from across India, driving progress and placing India at the forefront of global innovation.
- ✓ We aim to bring together **100+ investors** and **50+ deep-tech startups**, alongside an incredible line of speakers and an audience of over 1000 delegates.
